We are the gateway for inbound investment in CEE/SEE and Central Asia

We are a forward looking law firm with a proactive approach reflecting the expectations of clients from around the world doing business in our region. We focus on delivering pragmatic, solutions-driven advice that our clients can rely on in their decision making. Our work is often ground-breaking, helping our clients succeed with their complex and also everyday issues when it comes to investing and operating in CEE, SEE and Central Asia.

INNOVATIVE IMPLEMENTATION OF OUR SECTOR STRATEGY

Our sectors-focused strategy is novel among law firms in the CEE/SEE and Central Asia region. Kinstellar pursues **nine sectors** and advises clients with a **strong understanding** of the specifics, drivers and trends in these sectors. Adopting **the sectoral approach** has enabled us to offer tailored legal solutions to clients who increasingly require complex solutions to their issues to be provided by experts who understand their industry and sector environment.

WE PIONEER CLIENT-DEMAND DRIVEN SERVICES

As most CEE/SEE jurisdictions tighten regulations surrounding foreign investments, this service is an **essential navigation tool**. With experience advising both EU and non-EU clients on numerous FDI transactions, we provide multi-jurisdictional analysis, transaction structuring, and FDI screening filings while maintaining a **coherent approach across jurisdictions**. Our strong relationships with public authorities and nuanced understanding of local legal and political environments differentiate us, benefiting our clients immensely.

How are we different?

A single, integrated law firm, truly **focused on the region.**

We know our clients are running businesses and need **business solutions.** We deliver them.

Equity **ownership (partners) spread** across the region.

Finding **practical real world solutions** for our clients.

Dedicated to, and **delivering consistency.** We focus on that. We are built for that.

Real **sectoral focus and expertise.**

We **put opportunities in front of our clients** when we become aware of them.

We have our eye on what clients want most: to be **successful** in their business.

International Desks focusing on France, **Germany**, South-East Asia and the US.

We know our clients are running businesses and need business solutions. **We deliver** them.

We **invest significantly more in training, knowledge and professional infrastructure** than other firms in these markets.

We dedicate **significant resources to compliance, risk management and risk awareness.**

The highest ethical standards have always been a cornerstone of our firm. No shortcuts. No compromises.
